Mr. C. L. Emerick
District Superintendent
County Schools
Leesburg, Va.

Dear Mr. Emerick:

Tuesday, March 12, 1940, Mr. Charles H. Houston
called your attention to the fact that the
Roundown County Training School Building
is a fire trap. The fire escape is inaccessible;
the window opening on the fire escape has
no sash cords and the drum of oil under
the steps resting on an oil soaked floor
is a hazard which, as parents and
citizens we cannot permit to continue.
We respectfully call on you to correct these
conditions immediately or to withdraw the
pupils from said building and send them
to some safe school building.

Yours respectfully,
