

appropriate legislation. Meanwhile both local school authorities and the State Board of Education face the necessity of concluding and announcing plans for the 1955-1956 school year.

In the circumstances it is the recommendation of this Commission that Your Excellency and the State Board of Education declare that it is the policy of the State to continue schools through the school year 1955-1956 as presently operated. Further, it is the judgment of this Commission that an adjustment, at this time, to a school system not based on race would not be practicable or feasible from an administrative standpoint or otherwise.

Your Commission will continue its work and submit a further report at its conclusion. The report will contain specific bills for enactment by the General Assembly. For the foregoing reasons, it is the view of the Commission that an extra session of the General Assembly should not be called at this time.

GARLAND GRAY, Chairman.
