Mr. John W. Wanzer,
Middleburg, Virginia.

Dear Mr. Wanzer:

I wish to acknowledge receipt from you of a deed giving the County School Board the clear title to the Gibbons lot of about eight acres.

Our County School Board has approved this lot as a site for a new high school building. The School Board has decided to build upon this site a building which will cost not less than \$30,000.00 and the board has also decided to cause this building to be erected at the earliest time within its power. This site and building is to be used for the education of colored children.

I wish to express my thanks for this donation on the part of the colored citizens of this county and I wish to assure you that I shall do all within my power to make your donation work out to the advantage of the colored children of this county.

Everything I can do as superintendent of schools to hasten the construction of this building will be done.

Very sincerely yours,

Division Superintendent.
