1. List below anything that you have done in your library which you think might be helpful to other librarians.

a. New books are displayed in the library on shelves separated from the other books for several weeks, so that they may be examined easily by the students.
 b. In the absence of the librarian, the library assistants take over all the duties of operating the library.

2. In what way can the State Supervisor of School Libraries help you with your library problems either now or in the future?

3. Describe briefly how pupils are instructed in using the library:

Pupils are instructed, in twelve lessons, in the use of the library through an organized program of library instruction.
