Mr. Leroy Allen
Clifton
Virginia

Dear Mr. Allen:

I have your bus schedule.

You do not name the stops in any way.

I also notice that you show only five stops to pick up children and last year there were ten on your schedule.

I am sending you another form and am asking that you make your report again and be sure to show every stop that you make with your bus to pick up a child.

Very sincerely yours,

O. L. Emerick
Division Superintendent
