June 1955	Aldie		Knight; capable; thorough	Parent petition in support of teacher Knight for children's 5th grade 1955-56.

Text

We, the parent's (sic) of children in the 4th. grade at Arcola, believe that Mrs. Knight has been very capable and thorough in the teaching of our children, not only in subjects from their textbooks, but also in those subjects which give children a deep appreciation for benefits of an education, and social behavior. We would like very much to have Mrs. Knight teach our children in the 5th. grade at Aldie during the 1955-56 school year.

Note: This petition consists of 5 separate, carbonized documents. Each has different signatures--presumably each was circulated to the community for signatures. We have transcribed the petition once, and have compiled the signatures in the table below. Additionally, a list of parents who called in opposition follows the table of supporters. Finally, a small note attached to the petitions states that "7 patrons refused (Includes Mrs. Hanson) and "Mrs. Sheppa opposed--called June 6."
