Lenah, Va.

Supt O. L. Emerick  
Purcellville Va.

Dear Sir:

I am enclosing a petition bearing the signatures of all the patrons of Lenah School, except Mr. Byrne.

We feel that our children have had a good teacher one who has taken interest in her school and pupils,

I did not carry the paper to Mr. Byrne because I have heard that he was displeas (sic) about something,

We the patrons desire the School Board to give this matter their careful attention at their next meeting and elect our present teacher for 1927-28

Yours Truly.  
/s/ J. W. Swart
