Text

To the school board of Mt. Gilead school district.

We the undersigned patrons and advocates of the Airmont school do hereby present this appeal to the School Board of Mt. Gilead school district that the school at Airmont be not closed feeling that the advantage gained by sending the children to a school where one teacher has but one or two grades to teach is more than off set by having them wait for transportation either in the cold & storms of winter or in a country store.
