PETITION FOR A BUS TO CARRY THE CHILDREN LIVING NORTH OF LITTLE RIVER TURNPIKE, FROM GILBERT'S SERVICE STATION TO GOOSE CREEK, TO ALDIE SCHOOL.

We the undersigned residents of Loudoun County, Virginia, living in the above described area do hereby respectfully petition the Loudoun County School Trustees to run a bus which may carry the children living in this territory to the Aldie School. It will be recalled that the one room school to which the children living in this district formerly went (located near the property of Mrs. D.B. Tennant) has been closed. This forces these children to seek the Aldie School at great hardship to themselves.
