THE MOUNTVILLE COMMUNITY LEAGUE.

Mountville, Va.,  
April 14, 1931.

To  
The Loudoun County School Board,  
Purcellville, Va.

Gentlemen:-

At a meeting of our Community League, we voted to voice our protest against the reduction of the teachers salaries. In view of the fact that we have attained a new standard in our school in the last two years, and have been fortunate enough to have the co-operation of two teachers who are so capable of giving our children the best, we feel that we should make every effort to maintain the present salary scale for them, and the efficiency of instruction for our children.
